## WELFARE REPORT

During the fiscal year the Welfare expense was \$1,021.52 less than 1961.

The benefits from State and Federal agencies are appreciated. 17,738 pounds of Government Surplus Food Commodities valued at approximately \$5,000.00 has been given to approved families.

Through the cooperation of John Lendway and his Highway Department, the commodities are picked up in Montpelier and delivered to the homes of these families.

At this time I wish to thank our local people and State and Federal officials for their cooperation and assistance.

JOSEPH F. SHERLOCK,  
Overseer of Poor.

## SELECTMEN'S REPORT

Your Selectmen can again report that another active year has been concluded within budget limitations and all service areas maintained at a generally satisfactory level. Our policy this year, as in the past, has been to live within our budget and still provide the necessary services that our people expect and deserve. After adjustment on the Highway Account, the Town Account shows a balance of \$1,700.00 at the end of the year.

An unusually high expenditure was necessary during the year for removal of diseased trees and the resulting stumps. The major portion of this work has been completed but there will be some carry-over into 1963. Once this program is completed, we intend to initiate a planned program for new tree planting in order that our streets and highways may retain the natural beauty which we and our visitors prize so highly.

Our largest single investment for equipment during the year was the purchase of a front-end tractor loader vitally needed for our expanding highway work. While commitment for this unit was made in 1962 for a trial period, payment for same will not be effected until February 1963. With this acquisition, our equipment appears to be well taken care of and we do not expect any other major equipment purchase during 1963.

In December of 1962 we purchased a copy machine for use in the Town Clerk's office. It is expected that this copier will save considerable time and provide for more efficient handling of the many reports, correspondence, etc., which must be duplicated in the operation of Town and Village affairs.

During the year we welcomed back the men of the 45th Engineer Company upon their return from active duty at Fort Devens. We are glad to have this National Guard Unit again operating as usual from their base in the Proctor Armory.

Again we wish to acknowledge and record our special thanks to the following individuals and groups:

All Proctor residents for their patience, cooperation and understanding on the many problems encountered during the year.

Our Highway Commissioner and his men for their continuing efforts in improving service on highways, sidewalks, water, sewer, trees, etc.

Mr. H. T. Johnson for his personal interest and efforts in the efficient handling of all tree service to the Town and Village.

Mr. John Durkee and his staff for their continued attention and cooperation on our highway problems and projects.

All local and state staff members and officials for their help and understanding in the conduct of our affairs.

Your special attention is again called to the Selectmen's meeting held every Thursday evening at 7:00 P.M. and we urge you to present your questions and problems at such regularly scheduled meetings. Most matters can be handled more promptly and efficiently when presented during such times when all Selectmen are present.

JOSEPH F. SHERLOCK,  
Chairman

PAUL P. GALLUS,  
WARREN A. McCULLOUGH,  
Selectmen

## HIGHWAY COMMISSIONER'S REPORT

1962

The Highway Department wishes to report on the following work done in 1962 to our streets and roads.

### State Aid Tarring

The Florence Road beginning at Pittsford-Proctor Town Line and extending 1.00 mile south had shoulders cut, cleared, holes patched and a peastone asphalt mix was applied to the entire surface. The balance of this road extending to Beaver Pond was sealed and covered with 1/2" peastone.

### Town Highway

On Field Street a complete drainage system was installed consisting of new culverts, catch basin, ditches cleaned and intersection raised with asphalt mix.

The following streets were sealed with asphalt and covered with 1/2" peastone:

Ormsbee Avenue

Oak Street

Maple Street

Patch Street

Willow Street

Field Street

### New Construction

On West Road beginning 1.80 miles from the Rutland-Proctor town line and extending about 900 feet new construction consisted of drilling, blasting and removal of ledge where necessary, installed new culverts, raised certain areas, and constructed ditches. The entire area was then treated with peastone and asphalt with the resetting of guard posts.

This department wishes to thank John A. Durkee, District Highway Engineer; his assistant Kenneth Eastman, and foreman Nail Tinker for their assistance on this project.

All asphalt for the above projects was purchased from Gorham Bros. The peastone used was purchased from the Vermarco Lime and Paving.

All work of applying asphalt and peastone is performed by the State Highway Department.

JOHN LENDWAY,  
Highway Commissioner.

## VERMONT DEPARTMENT OF SOCIAL WELFARE MONTPELIER, VERMONT

This twenty-seventh in the series of annual reports submitted to the people of Proctor presents tabulations for the calendar year 1962. In the Department of Social Welfare's programs of assistance to the aged, blind and disabled 30% of the costs of hospital and physician services, as well as the excess over \$75.00 per month in Nursing Home care, are assessed against the town of settlement of the recipients of such care. Participation charges incurred by your community during the past year for each of these types of care were as follows:

Nursing Home Care	\$818.85
Hospitalization Services	\$80.67
Physician Services	\$33.30

Under similar settlement provisions town participation in the program of Aid to Families with Dependent Children is at the rate of one-eighth the assistance grants while costs incurred for the care of Committed Children are borne equally by the local and state agencies. Charges assessed against your community for the former amounted to \$207.63 and for the latter \$193.43 for the year just closed.

During April, 1962 there were 7 recipients of Old Age Assistance and 2 recipients of Aid to the Permanently and Totally Disabled residing in your community. Direct money payments to these persons were financed entirely out of state-federal funds. Among the other programs financed from these same sources were Services for the Blind, Adoption Services and the recently inaugurated Medical Aid for the Aged. While no town-by-town records are compiled for these categories, their benefits were available to all qualified residents.

Respectfully submitted,  
JOHN J. WACKERMAN,  
Commissioner of Social Welfare.

## VERMONT STATE DEPARTMENT OF HEALTH

### ANNUAL TOWN REPORT, 1962

The following health services were available from State-Federal tax money and local voluntary contribution to protect the health of the people of Proctor, along with the people of the other towns and cities in Vermont. A tabulation of the principal State Health Department services which the residents of your town used last year follows:

With the aim of keeping children well and helping handicapped children, well-child and school conferences were attended by 269 children. Nutrition and dietary consultations numbered 1. At the request of attending doctors, no children received pediatric consultations, none received hospital diagnosis, 6 with orthopedic, cardiac, plastic or neurological conditions received services or appliances through clinics for handicapped children and 1 was given financial aid toward hospitalization costs. Mental retardation clinic services were extended to 3 children.

In the effort to control communicable disease 15 persons received chest x-rays; 193 children received immunizations, including boosters, against diphtheria, whooping cough and/or tetanus. Polio immunizations, including boosters, were given 111 children and adults in clinics and conferences. The state laboratory performed tests on 64 water samples, no food and dairy products, 131 blood specimens and 15 other specimens. Vaccines, antitoxins and biologicals were distributed for protection against communicable diseases.

There were 5 sanitary inspections or consultations made at the town's food and lodging places and 18 concerning water supply, sewage disposal, public buildings and other problems, to protect health through improved town sanitation. Services to maintain and improve adult health in industry included no chest x-rays and inspections and consultations at plants. In connec-

tion with the state licensing program and the Hill-Burton federal aid program for hospital and medical facility construction there was 1 inspection-consultation to hospitals, nursing homes and homes for the aged.

Mental health services by guidance clinics through educational meetings or consultations, were received by 4 persons and groups. Individual interviews with the psychiatrist, psychologist or psychiatric social worker were given 12. Under the community mental health program to develop local projects for prevention, treatment or education in mental health, financial assistance and staff consultations are available.

In cancer work 2 received diagnosis and treatment at tumor clinics or were financially helped with hospitalization costs.

All programs in the department offer educational services. Pamphlets, films, a news release and information service and speakers are available.

The public health nurse served at well-child and school conferences, x-ray and immunization clinics, assisted by local people. She visited homes, doctors, and agencies, making 211 visits on behalf of 56 persons and community health activities. Her service is an essential element in the department's program for health promotion, disease prevention, diagnosis, treatment and education.

Respectfully submitted,

R. B. AIKEN, M.D., M.P.H.,  
Commissioner of Health.

## HEALTH OFFICER'S REPORT

It seems that as I grow older, the quicker a year goes by, and the sooner it is necessary to write another report. In that all years consist of 365 or 366 days there must be some explanation for this feeling. Either my mind refuses to recognize the passage of time or I'm too happy to pay any attention to its flight. Watching young folks that I have brought into the world mature into school kids, to high school students, college men and women, and finally having families of their own, gives a physician a certain pride that no other profession can match. I am, and have been very happy in Proctor, and the work load has been lightened by enjoyment in doing a small bit in making somebody more comfortable and occasionally well.

1962 was not a bad year health wise. The usual colds and gripes were prevalent during the early months, while a rash literally and actually of German Measles lurked around during the latter part of the spring quarter. An occasional mump blossomed just forward of ears in your young folks, nobody was too upset even when it was discovered that the highly regarded "pickle test" proved to be a fallacy.

Clinics for tots and those that were no longer tots were held at regular intervals presided upon by Dr. Perkins, state nurse and able assistance from various women folks residing in Proctor. Some idea of the work done by the State agencies can be gathered from the appended report.

This year as in the past several years we failed to turn in a perfect score in our water samples. We missed it by one unsatisfactory report. All in all this should not alarm us too much in that one out of fifty-two is a very small percentage.

Thus we wrap up 1962 in 1963. May time in its flight linger on the days that bring joy and happiness while it flies by on the days that are dark and gloomy.

Respectfully submitted,

H. J. FREGOSI, M.D.  
Health Officer.

## AUDITORS' REPORT

We have verified the existence of stated cash balances, examined the accounts and records of town officers and the Treasurer of the Proctor Free Library, and to the best of our knowledge, the statements and reports of receipts and disbursements as of December 31, 1962 are correct.

SIDNEY JONES,	1963
EDITH V. LINDQUIST,	1964
